USA v. Andrew Wiederhorn et.al.  
2:24-cr-295-RGK

Dear Clerk to Judge Klausner:

According to the Los Angeles Times, AN assistant  
US Attorney assigned to this case, Adam  
Schleifer, was suddenly fired on Friday  
28 Mars 2025.

I respectfully ask that you set an  
order to show cause to determine how  
this happened.

(2)

It appears to be active interference  
in the prosecution of a pending  
Criminal case.

District judges are among the few lines  
of defense against trump's destruction  
of our democracy, ~~please~~ Please help!

I have no connection with any of the  
parties or counsel in this matter.

Thank you,

LOS ANGELES CA 900
